Please be advised that your senior has requested fewer than 7 credits for the 2024-2025 school year and will be arriving late or will be dismissed early during the regular school day.

Seniors planning to pursue university acceptances are advised to continue with a rigorous academic course load. **Students should contact their universities of choice to be certain that part-time attendance would not jeopardize their chances for admission.** Part-time seniors must also be aware that the Florida Bright Futures Scholarship Programs have specific requirements and that grade point averages may be improved by taking additional courses.

Please sign and return this form if you agree to have your senior attend West Orange High School on a part-time basis for the 2024-2025 school year.
